

# Utah County Employee of the Month

May 2013

Josh Ivie - Auditor Elections

Josh Ivie has been an invaluable employee in the Elections division of the Clerk/ Auditors Office. From very early on in his employment with the County, Josh has demonstrated a commitment to accuracy and seeing that his assignments have been finished in a complete manner. Josh doesn't do just the bare minimum, but goes the extra mile to make sure his work product is professional and understandable.

Josh has a good understanding of his responsibilities, and offers good input and suggestions where appropriate. He has always shown initiative in taking on projects, and has not hesitated to work late or put in longer hours when needed.

During the past 2 years, Josh has participated in some major election related projects. These include: 1) preparing the new precinct boundaries based upon the 2010 US Census and State Legislature re-districting. 2) preparing the new school district seat boundary proposals for the Nebo and Alpine School Districts, and 3) helping to administer the 2012 Primary and General elections.

Josh has also been designated as the lead staff member in the Elections Office, and does a great job working with, and leading by example the other members of the staff.

Because of his abilities, and work ethic, Josh Ivie deserves to be considered for employee of the month.

From Scott Hogensen:

Hiring Josh was one of the best decisions I have ever made. It is hard to overstate the excellence of his work. Redistricting, particularly for the Alpine School District, was a difficult task. Josh jumped right in and figured out an excellent solution and method for creating scenarios for how to divide up the district. This is very difficult, analytical work that demands precision.

Bryan & Scott,

I wanted to let you know what a great asset Josh was to the I.T. Department during the 2012 Primary Election and recognize him for his outstanding work.

As issues came up, there was always an immediate response from him. He would either propose a solution, get I.T. whatever we were lacking or follow through until issues were resolved. He is very knowledgeable in "all things election".

Josh displayed a good work ethic, always conducted himself professionally and was a pleasure to work with.

From Mike Kniephof:

Agreed. I'll give a "+1" to everything Paulette said. Thanks Josh.

From Shad Ruf:

For sure Mike, I am not sure how we would have done it all without Josh and his "Super powers". On a more serious note, leaving out "Super Powers". Josh was a great big pile a huge "HELP" when we needed anything it did not take long to either get what was needed or feedback telling us he was working on it. No question about it, Josh rose to the occasion, he stuck out from many, as Mr.

Dependable.

Thanks Josh!!

From Jolynn Parker:

I think he deserves a bonus!!!!
